Huttig Building Products, Inc. Announces Distribution to Long Island

ST. LOUIS, Mo – Huttig Building Products has announced that they are expanding their distribution territory to now cover Long Island, New York. With six branch locations throughout New England and two in Pennsylvania, Huttig is well-positioned to deliver the millwork, building products and value-added services the company is known for to dealers on Long Island.

"Given our current coverage of the northeastern United States, we felt this was the right time for us to expand our service area to include Long Island", Greg Gurley, Huttig vice president, said.

As part of their service proposition Huttig will be delivering to Long Island three times per week (Monday, Wednesday and Friday).

Huttig has hired Dan Vazquez as their sales representative for Long Island. Dan is an industry veteran with more than 30 years experience. Vazquez has held a variety of wholesale and retail management and sales positions. He is actively involved in NARI (National Association of The Remodeling Industry) and a certified remodeler.

Mark Gluhosky, general manager of Huttig's Newington branch says, "We're excited to be expanding our presence and servicing the Long Island market."

Gluhosky brings more than 30 years in building supply and retail experience, and has more than 20 years of management with some of the largest retail lumberyards in Connecticut.

Huttig will distribute many of the best brands in the industry to Long Island, including Therma-Tru®, AZEK® and TimberTech® from CPG Building Products, Masonite®, Woodgrain®, HB&G®, RDI®, Marwin®, Rogue Valley® and more.
