

Press Release

Huttig Building Products, Inc. CEO to Present at The MicroCap Conference November 5

For Immediate Release:

3 November 2015

St. Louis, Mo – Huttig Building Products, Inc. (NASDAQ: HBP), one of the nation’s largest wholesale distributors of millwork and specialty building products used principally in new residential construction and home improvement, announced today that Huttig’s President and CEO, Jon Vrabely, will deliver a presentation to investors and analysts at The MicroCap Conference in Philadelphia, Pennsylvania on November 5, 2015.

The MicroCap Conference is an exclusive event for investors specializing in small stocks. While there, Huttig executives will also hold one-on-one and small group meetings with investors and analysts.

“We are excited to be attending and presenting at the MicroCap Conference in Philadelphia,” Jon Vrabely, President and CEO of Huttig, said. “This conference is a great opportunity to share Huttig’s exciting story with investors that focus and specialize on micro-cap companies.”

The MicroCap Conference will be held in Center City Philadelphia at the downtown Marriott. A copy of the presentation that the Company will use for the upcoming meeting is available on Huttig’s website, http://www.huttig.com/Investors/investors_presentations.aspx.

For more information regarding the event, please visit <http://microcapconf.com/>. A reservation is required to attend the event.

#####

Huttig, currently in its 130th year of business, is one of the largest domestic distributors of millwork, building materials and wood products used principally in new residential construction and in home improvement, remodeling and repair work. Huttig distributes its products through 27 distribution centers serving 41 states. Huttig's wholesale distribution centers sell principally to building materials dealers, national buying groups, home centers and industrial users, including makers of manufactured homes.
