Huttig Announces Management Changes in the Northeast

St. Louis, Mo—Jon Vrabely, President and CEO of Huttig Building Products, Inc., has named Ken Schmitt as Regional Vice President of the Northeast. In his new role, Ken will be responsible for the following Huttig locations: Augusta and Saco, ME, Newington, CT, Taunton, MA, Hooksett, N.H., and Selkirk, N.Y.

Ken started his career with Huttig as a trainee in Tulsa, OK in 1992. He graduated from Western New England College with a bachelor's degree in government and has worked in sales, sales management and general management positions in Florida and Ohio. Relocating to New Hampshire in 2004, Ken became general manager of the Hooksett branch and in 2007, he was promoted to District Manager.

Ken Schmitt

Vin DiBiasio

Replacing Ken Schmitt, as new general manager of the Hooksett facility is Vin DiBiasio, who joins Huttig after 16 years with Shaw's Supermarkets, where he held various operations roles, most recently as District Manager. Vin resides in Haverhill, Mass.

"I am excited that Vin has joined the Huttig management team and look forward to working with him," said Ken Schmitt. "His understanding of the distribution business and experience in operations will greatly benefit our sales network and our customers."

About Huttig

Huttig Building Products, founded in 1885, is a leading domestic distributor of millwork, building products and wood products used principally in new residential construction and home improvement, remodeling and repair work. Huttig has relationships with leading manufacturers and distributes its products through 27 wholesale distribution centers serving 41 states. The company's wholesale distribution centers sell principally to building materials dealers, national buying groups, home centers and industrial users, including makers of manufactured homes. Huttig is a publicly-held company traded on NASDAQ under the symbol "HBP". For more information on Huttig, visit www.huttig.com.
