Huttig Building Products Named Exclusive Distributor of Maibec
A Multi-Year Agreement for Cedar Siding and Shingle Products

St. Louis, Mo—Huttig Building Products, Inc., (NASDAQ: HBP), a leading domestic distributor of millwork, building materials and wood products, today announced that they have entered a multi-year distribution agreement to be the exclusive distributor of the complete line of Maibec cedar siding and shingles. Maibec is the leading provider of this product category.

“The addition of the Maibec brand boosts our already outstanding product offerings in the Northeast region,” stated Greg Gurley, Huttig’s Vice President of Product Management and Marketing.

Michel LeBlanc, Vice President Sales and Marketing for Maibec, stated, “Maibec’s reputation for producing the highest quality and most recognized brand of white cedar shingle products, combined with Huttig’s reputation for providing great customer service, makes this a great partnership for the customers of our products.”

Huttig’s Northeast Regional Vice President Ken Schmitt added, “We’re excited to offer the top brand of cedar shingles our customers value and prefer.”

Maibec will be available from Huttig’s northeast distribution centers in Hooksett, New Hampshire; Newington, Connecticut; Augusta, Maine and Selkirk, New York and will service the states of Connecticut, Maine, Massachusetts, New Hampshire, Eastern New York, Rhode Island and Vermont.

About Huttig

Huttig, currently in its 131st year of business, is one of the largest domestic distributors of millwork, building materials and wood products used principally in new residential construction and in home improvement, remodeling and repair work. Huttig distributes its products through 26 distribution centers serving 41 states. Huttig's wholesale distribution centers sell principally to building materials dealers, national buying groups, home centers and industrial users, including makers of manufactured homes.
