

Huttig Building Products, Inc. to Present at the Sidoti Spring 2016 Emerging Growth Convention on March 31st

ST. LOUIS, MO, March 21, 2016 – Huttig Building Products, Inc. (NASDAQ: [HBP](#)), one of the nation's largest wholesale distributors of millwork and specialty building products used principally in new residential construction and home improvement, announced today that Huttig's President and CEO, Jon Vrabely, will deliver a presentation to investors and analysts at the Sidoti Spring 2016 Emerging Growth Convention at the New York Marriott Marquis at Times Square in New York, New York on March 31, 2016.

The Convention will connect executive management teams with investors specializing in small stocks. While there, Huttig executives will also hold one-on-one and small group meetings with investors and analysts.

"We are excited to be attending and presenting at the Sidoti Conference in New York," Jon Vrabely, President and CEO of Huttig, said. "This conference is a great opportunity to share Huttig's exciting story with investors that focus and specialize on micro-cap growth companies."

For more information regarding the event, please visit <http://www.sidoti.com/microcap/>. A reservation is required to attend the event.

Huttig, currently in its 131st year of business, is one of the largest domestic distributors of millwork, building materials and wood products used principally in new residential construction and in home improvement, remodeling and repair work. Huttig distributes its products through 26 distribution centers serving 41 states. Huttig's wholesale distribution centers sell principally to building materials dealers, national buying groups, home centers and industrial users, including makers of manufactured homes.
