Huttig Announces New Director of Product Management

St. Luis, Mo—Huttig Building Products, Inc. is please to announce that Paul Colliton has rejoined the company as Sr. Director of Product Management. Colliton was a key part of the Hutting management team from 1994-2007, having held positions of Sales Manager, District Sales Manager, Regional Director and Regional Vice President.

In his new role, Paul will lead product management and programs around CPG Building Products decking, railing, PVC trim and pavers. He will report to Greg Gurley, Vice President Product Management, Marketing and National Accounts.

“We’re excited to have Paul back on our team leading these strategic product categories,” said Gurley. “Paul will be working with our customers and our branches to grow our mutual business together.”
